RE: United States v. Murtari 5:08-CR-59/60 (DEP)

Dear Judge Peebles:

I have reviewed your scheduling order. My only question is regarding the trial date of March 31st. If it's possible with you and Mr. Reynolds, could the date be moved up to prior to March 21st, or delayed until after April 1st? I have no additional witnesses to call and hopefully the trial will take no longer than last week's detention hearing. Mr. Moynihan does not have to be present if he has a schedule conflict.

My son, Domenic, has Spring Break from March 21st to March 30th and usually comes home to Lyons for the holiday. Obviously it is a special time for both of us and especially this year as it falls in the Easter season.

If the trial is before March 21st, I hope the Court could release me afterwards and I would report to complete my jail time after April 1st. If the trial is held after April 1st, I hope I can be released prior to March 21st. It would also help with my pre-trial preparation.

Both my son and I are anxious about this and look forward to your decision and being able to get plane tickets. We would be very thankful for any flexibility you and Mr. Reynolds can have in this. I regret putting all of us in this position. I usually try to avoid conflicts between my Civil Rights actions and scheduled vacations for Domenic.

Please update my mailing address to use my office address of: John Murtari, Software Workshop, Inc, 55 E. Genesee Street, Baldwinsville, NY 13027.
